### **Franklin Graham, in a specially recorded video "My Hope America"**

Come and enjoy the fellowship of local business men. Enjoy a delicious meal together, a local business man's story and a newly released message from Franklin Graham.

This year, Franklin Graham released a 30-minute film, Value of a Soul, about three people searching for true worth as their worlds crumble. Follow their unexpected journeys as Franklin Graham addresses the real value of the soul.

We know you will be blessed by this movie and the stories that will follow. Be sure to invite your friends, family and business associates.

Bob Murray, a local Audit and Finance professional working at SWM/DelStar Technologies will also share some highlights of his personal faith journey. His insights, trials and triumphs will encourage you in your walk.

Looking forward to seeing you there!
